CREDENTIALS

- ♥ **Miracles** are increasingly becoming a part of my everyday life. Which is a far different experience from the pain and depression that was once ruled my life. You can't study books to learn what I've learned. You must be a desiring explorer of the School of Life. *Miracles Made Easy* describes how I got started down this path. You can read the book at www.MiraclesMadeEasy.com
- ♥ Known as a **MidWife of Consciousness**, I guide and assist the process of birthing into beingness the beautiful truth of who you really are. As you learn how to shift consciousness, changes in feelings, functioning and effectiveness automatically follow. It becomes ever easier to create the results you want.
- ♥ The first twenty years of my private practice I was known a **Potentialist**. One who sees possibility everywhere, and how to make it happen with the utmost joy, speed and ease. You can read about the *Potentials Process* model for growth and change at www.AnnMcGill.com
- ♥ Frequently described as a gifted **Teacher – Healer – Facilitator – Guide**, my whole-person approach addresses the mental, emotional, spiritual and physical. A few *Client Stories* at *About Ann* will convey the variety, breadth and depth of my work: www.AnnMcGill.com.
- ♥ ***Joy Car*** enables me to spread joy to thousands, just by driving around. People honk and wave when they see my bright-white, gaily-colored, polka-dotted car drive by with bubbles blowing out the back. To understand the profound impact of this simple idea, be sure to read the Mission Accomplished stories at www.JoyCar.org.

ACCOMPLISHMENTS

- ♥ **One of the first** women in the country hired (in 1973) by a Fortune 500 company for outside sales, I sold copiers and duplicators for Xerox Corp. I was in the top 10% of their 7,000 person sales force every year.
- ♥ Two promotions later, the Sales Training program I designed **earned the highest ratings ever awarded** by participants, many of whom were highly experienced Sales Executives who resented that their attendance was required.
- ♥ When I started my first business in 1980, selling the services of Trainers and Consultants, the **one-stop-shopping** marketing strategy I developed later became a commonplace business model.
- ♥ It was suggested that the **Graphic Writing** formatting system I designed to improve reading speed and comprehension would revolutionize the publishing industry. While that didn't happen, advertisers soon began using the very same principles I had discovered. This was the early 1980's.
- ♥ Since the early 1990's I have been leading **Mutual Support Groups** – in person and by phone. New members quickly declare these conversation a priority activity and an extraordinarily positive influence on their lives.
- ♥ Churches have distributed **Tithing – A Way of Life** and made it the subject of sermons. This single-page pamphlet was written in the late 1990's. You can download free copies at www.MiraclesMadeEasy.com.
- ♥ The **Healing Love Energy Center** became a formal entity in 2007. Our current focus is on "Healing Love Baths" and "Quantum Leaping" programs for those who seek rapid growth and change and to awaken to the Divine within.
- ♥ **Miracles Made Easy** was published in 2008. Prior website and email publications include *Messages from the Universe* and *McGill-A-Grams*. They are archived at www.AnnMcGill.com.
