CREDENTIALS

- ♥ **Miracles** are increasingly becoming a part of my everyday life. A far cry from the suffering and depression that used to be my primary experience. You can't go to school to discover what I've learned. You must be a desiring explorer of the School of Life. *Miracles Made Easy* describes a key aspect of this fabulous journey. You can read the book at www.MiraclesMadeEasy.com
- ♥ **A Potentialist** for over 25 years, I show people how to awaken hidden potential and remove the blocks to progress, so they can create the results they want with greater joy, speed and ease. By triggering shifts in consciousness, there is an automatic improvement in feelings, functioning and effectiveness. You can read about the *Potentials Process* model at www.AnnMcGill.com
- ♥ **A gifted Teacher – Healer – Facilitator – Guide**, a few *Client Stories* will convey the variety, depth and breadth of my work. My whole-person approach addresses the mental, emotional, spiritual and physical, as well as business acumen and life management skills. See www.AnnMcGill.com
- ♥ **Creator of *Joy Car*** Spreading joy and happiness to thousands just by driving around. When they see my bright-white, gaily-colored, polka-dotted car drive by, with bubbles blowing out the back, people honk and wave and laugh. To understand the profound impact of this simple idea, read the *Mission Accomplished* stories at www.JoyCar.org.
- ♥ **Free Miracles – Give Away** The sooner more people are aware how often miracles happen, the easier it will be to learn how to create them for ourselves. The more people creating miracles with increasing regularity, the faster we can turn this hurting world around. The project involves a weekly series of emails and a program for giving books away.
